## Annual Pitches for 2010

### Annual Pitch Fee £1260 + V.A.T.(£1449)

Occupation period on site 50 weeks.

Under your annual pitch agreement your caravan will remain pitched on site all year ready for occupation by yourself and three other persons and your fee includes the water connection and drainage.

Our 50 week licence allows you the flexibility of using your caravan at any time throughout the year, with the exception of the first two weeks in January, and affords you the convenience of enjoying your break away from home without the burden of setting up. Alternatively use your base here as a stepping stone to explore what Devon and Cornwall have to offer.

Awnings can remain pitched at all times ready for use and are free of charge.

Your only charge whilst on the Park is your electricity charged at the nightly tariff rate of £3.50\* per night.

If you wish you may also allow other persons to use your caravan subject to them paying at our standard tariff rates.

For further information please give us a call.

\* The Park reserves the right to further amend this should it become necessary.
